

GMP Equalisation - Implementation Report

Following the Lloyds Banking Group judgments (2018, 2020), trustees are required to equalise member benefits for the effect of unequal Guaranteed Minimum Pensions accrued between 17 May 1990 and 5 April 1997.

Methodology Adopted

The Trustee, having taken legal and actuarial advice, has adopted Method C2 (year-by-year comparison with accumulated arrears) followed by GMP conversion at buy-out.

Financial Impact

Total Benefit Uplift	0.8% of TPs
Members in Scope	Approximately 72%
Arrears + Interest	GBP 480,000
