

Summary Funding Statement to Members

Dear Member,

This statement provides a summary of the funding position of the University of Reading Pension Scheme as at 31 March 2023. Your Trustee is required to send you this information each year.

Scheme Assets	GBP 83.0m
Amount Needed to Provide Benefits	GBP 87.0m
Surplus / (Shortfall)	GBP -4.0m
Funding Level	94.0%

Recovery Plan

Your Sponsor, University of Reading, is making additional contributions to the scheme to cover the shortfall over time. These contributions are in addition to the normal cost of benefits being built up.

Your Questions Answered

If you have any questions about your benefits or this statement please contact the Scheme Administrator, Barnett Waddingham. Your personal benefit details are available via the member portal.
