

Summary Funding Statement to Members

Dear Member,

This statement provides a summary of the funding position of the Spirax-Sarco Engineering Pension Plan as at 31 March 2023. Your Trustee is required to send you this information each year.

Scheme Assets	GBP 142.7m
Amount Needed to Provide Benefits	GBP 149.2m
Surplus / (Shortfall)	GBP -6.4m
Funding Level	95.2%

Recovery Plan

Your Sponsor, Spirax-Sarco Engineering plc, is making additional contributions to the scheme to cover the shortfall over time. These contributions are in addition to the normal cost of benefits being built up.

Your Questions Answered

If you have any questions about your benefits or this statement please contact the Scheme Administrator, Aptia. Your personal benefit details are available via the member portal.
